

Geography Progression – NC 2014

Key Stage 1

	Nursery	Reception	Year 1	Year 2	End of Key Stage Expectations
Locational knowledge	As a geographer, I can: • Comment and ask questions about aspects of their familiar world such as the place where they live or the natural world • Know that there are different countries in the world & talk about the differences they have experienced or seen in photos	As a geographer, I can: • Observe, find out about and identify features in the place they live and in the natural world. • Find out about their environment and talk about those features they like/dislike. • Use appropriate words, e.g. 'town', 'village', 'road', 'path', 'house', 'flat', 'temple' and 'synagogue', to help children make distinctions in their observations. • Encourage children to express opinions on natural and built environments and give opportunities for them to hear different points of view on the quality of the environment. • Recognise some environments that are different to the one in which they live	As a geographer: Can I name and locate the four countries making up the British Isles, with their capital cities? Can I name the surrounding seas of the United Kingdom? Can I talk about the main features of each of the four countries that make up the United Kingdom?	As a geographer: Can I locate and name the continents on a World Map? Can I locate and label the five oceans? Name, locate and identify the characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas?	Name and locate the world's seven continents and five oceans Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas
Place knowledge	As a geographer, I can: • Talk about some of the things they have observed in different places • Comments & asks questions about aspects of their familiar world such as the place where they live or the natural world	As a geographer, I can: • Observe and identify features in the place they live and the natural world. • Talk about features. • Help children to find out about the environment by talking to people, examining photographs and simple maps and visiting local places. • Encourage the use of words that help children to express	As a geographer: Can I recognise similarities and differences of geographical features in my own immediate environment? Can I talk about people and places within my local environment? Can I compare Tipton with a contrasting place in the UK? Can I talk about people and places beyond my local environment? Can I identify the key features of a location in order to say whether it is a city, town, village, coastal or rural area?	As a geographer: Can I compare a local City/town in England with a contrasting city in a different country? Birmingham/Accra Can I identify the key features of a location in order to say whether it is a city, town, village, coastal or rural area?	Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country

	• Make imaginative & complex 'small worlds' with blocks & construction kits, such as a city with different buildings & a park	opinions, e.g. 'busy', 'quiet' and 'pollution' • Recognise some similarities & differences between life in this country & life in other countries			
Human and Physical Geography	patterns around them, e.g. rubbings	As a geographer, I can: • Explore their local environment and talk about the changes they see. • Talk about the similarities and differences between them and their friends and well as looking at photos of children and places around the world. • Explain that human activity can influence and impact on the world, meaning that things happen as a result of our actions • Understand the effect of changing seasons on the natural world around them	As a geographer: Can I compare and contrast the human and physical features of two British localities, including how the use of land differs in each locality? Comparing and Contrasting a farm with the seaside. Can I talk about weather in the UK, what happens in different seasons and how weather changes on a daily basis? Can I identify land use around the school? Can I use geographical vocabulary such as beach, coast, forest, hill, mountain, sea, river, weather, city, town, village, factory, farm, house, office shop to refer to the physical and human features of places studied?	As a geographer: Can I ask and answer geographical questions such as: What is this place like? What or who will I see in this place? What do people do in this place? Can I talk about hot and cold parts of the world, discussing in relation to the equator and the North/South Poles? Can I compare and contrast the human and physical features of a British locality with a nonEuropean locality, including land use differences? Can I use geographical vocabulary such as beach, coast, forest, hill, mountain, ocean, river, soil, valley, vegetation, season, weather, city, town, village, factory, farm, house, office, shop, port and harbour to refer to the physical and human features of places studied?	Identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles Use basic geographical vocabulary to refer to: key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather Key human features, including: city, town, village, factory, farm, house, office, port, harbour and shop
Geographical skills and fieldwork	As a geographer, I can: • Observe and identify features in the place they live and the natural world. • Find out about their environment and talk about features they like and dislike. • Use diverse range of props, photos,	As a geographer, I can: • Examine change over time. • Pose carefully framed open- ended questions, such as "How can we?" or "What would happen if?" • Describe some actions which people in their own community do that help to maintain the area they live in. • Draw information from a simple map • Interpret range of sources of geographical information,	As a geographer: Can I use maps, atlases, globes and digital/computer mapping (Google Earth) to locate countries and cities? Can I use aerial images to recognise landmarks and basic physical features? Can I use simple fieldwork to observe, measure and record the human and physical features in the local area? Can I use a simple key to recognise physical or human features on a map? Can I create a simple map of my local environment?	As a geographer: Can I use maps, atlases, globes and digital/computer mapping (Google Earth) to locate countries and describe features studied? Can I learn and use the four points of a compass to describe the location of features on a map? Can I use locational and directional language such as: near, far, left, right to describe the location of features on a map? Can I use aerial images and plan perspectives to recognise landmarks and basic physical features? Can I devise a simple map, and use and construct basic symbols in a key?	Use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage Use simple compass directions (North, South, East and West) and locational and directional language [for example, near and far; left and right], to describe the location of features and routes on a map

books to notice & talk about	including maps, globes, photographs	Can I use simple grid references? (A1, B1) Can I use fieldwork to observe, measure and	
similarities &		record the human and physical features in	
differences		the local area?	

Geography Progression – NC 2014

Key Stage 2

	Year 3	Year 4	Year 5	Year 6	End of Key
	With a focus on United Kingdom and a	With a focus on United Kingdom and a	With a focus on United Kingdom and South	With a focus on United Kingdom and North	Stage
	region in a European country i.e. Greece	European country	and Central America	America	Expectations
Locational knowledge	As a geographer: Can I locate and name the continents on a World Map? Name, locate and identify the characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas? Can I name and locate counties and cities of the United Kingdom? Can I locate geographical regions and their identifying human and physical characteristics, including hills, mountains, cities, rivers, key topographical features and land-use patterns, and understand how some of these aspects have changed over time? Can I name and locate some countries of Europe? Can I share my own views about locations?	Can I explain my own views about locations, giving reasons? Can I name and locate counties and cities of the United Kingdom? Can I locate geographical regions and their identifying human and physical characteristics, including hills, mountains, cities, rivers, key topographical features and land-use patterns, and understand how some of these aspects have changed over time? Can I name and locate the countries of Europe? Can I name and locate the Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circles and date and time zones?	Can I name and locate some of the countries and cities of the world and their identifying human and physical characteristics, including hills, mountains, rivers, key topographical features and land-use patterns; and understand how some of these aspects have changed over time? Can I name and locate the countries of South and Central America? Can I identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones (including day and night)?	Can I name and locate some of the countries and cities of the world and their identifying human and physical characteristics, including hills, mountains, rivers, key topographical features and land-use patterns; and understand how some of these aspects have changed over time? Can I name and locate the countries of North America? Can I identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones (including day and night)?	Locate the world's countries, using maps to Jocus on Europe (including the location of Russia) and North and South America, concentrating on their environmental regions, key physical and human characteristics, countries, and major cities. Name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, key topographical features (including hills, mountains, coasts and rivers), and land-use patterns; and understand how some of these aspects have changed over time Identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones

					(including day and night)
Place knowledge	Can I compare geographical regions and their identifying human and physical characteristics, including hills, mountains, cities, rivers, key topographical features and land-use? Can I identify the main physical and human characteristics of the countries of Europe? Can I describe geographical similarities and differences between a region in the United Kingdom and one in a European country? Can I describe how the locality of the school has changed over time?	Can I compare geographical regions and their identifying human and physical characteristics, including hills, mountains, cities, rivers, key topographical features and land-use patterns, and understand how some of these aspects have changed over time? Can I identify the main physical and human characteristics of the countries of Europe? Can I describe some of the features of the following areas: the Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricom, Arctic and Antarctic Circles and date and time zones? Can I describe geographical similarities and differences between countries? Can I describe how the locality of the school has changed over time?	Can I understand some of the reasons for geographical similarities and differences between countries? Can I explain how locations around the world are changing and explain some of the reasons for change? Am I beginning to understand and explain geographical diversity across the world?	Can I explain and discuss a range of reasons for geographical similarities and differences between countries? Can I explain how locations around the world are changing and explain some of the reasons for change? Can I describe geographical diversity across the world?	Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country, and a region within North or South America

Human and Physical Geography	Can I ask and answer geographical questions about the physical and human characteristics of a location? Can I describe key aspects of physical geography, including rivers, mountains, volcanores and earthquakes of an area in the United Kingdom and an area in a European country? Can I describe key aspects of human geography including settlements and land use of an area in the United Kingdom and an area in a European country?	Can I ask and answer geographical questions about the physical and human characteristics of a location? Can I describe key aspects of physical geography, including rivers, mountains, volcanoes, earthquakes and the water cycle? Can I describe key aspects of human geography including settlements and land use?	Am I beginning to collect and analyse statistics and other information in order to draw clear conclusions about locations? Am I beginning to identify and describe how the physical features affect the human activity within a location? Can I identify and describe the main human and physical characteristics of South and Central America? Am I beginning to understand and explain how countries and geographical regions are interconnected and interdependent? Can I name and locate some of the countries and cities of the world and their identifying human and physical characteristics and understand how some of these aspects have changed over time? Can I describe and understand key aspects of physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle? Can I describe and understand key aspects of human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water?	Can I collect and analyse statistics and other information in order to draw clear conclusions about locations? Can I identify and describe how the physical features affect the human activity within a location? Can I identify and describe the main human and physical characteristics of North and South America? Can I explain how countries and geographical regions are interconnected and interdependent? Can I name and locate some of the countries and cities of the world and their identifying human and physical characteristics and understand how some of these aspects have changed over time? Can I describe and understand key aspects of physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle? Can I describe and understand key aspects of human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water?	Describe and understand key aspects of: physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water
