

Barlow Class Pre-School

Information

During Pre-School Sessions, the children can access lots of activities and challenges both inside the classroom and in our outdoor area. These will be a mixture of child led and adult led focused activities.

All children have different interests; Children learn and develop skills through exploring, playing, by being creative and by being asked questions to extend their thinking.

During the Pre-School year we will cover a variety of topics. You can find a list of our termly topics below.

September 2023 – July 2024

Autumn 1 – All about ourselves

Autumn – Seasonal celebrations

Spring 1 – Brilliant Bears

Spring 2 – Roots, shoots and muddy boots

Summer 1 – All creatures great and small

Summer 2 – Transport and travel

Some of our learning experiences can be viewed on Tapestry, Parents will need to sign up to this app to be able to view your child's profile.

We will also share some photos on the class photos page.

If you have any further questions regarding the Pre-school Day, please see a member of the EYFS team.

Thank you for your continued support and we look forward to an exciting year.
